

### **Amendments to the Specification**

Please add the following new paragraph after the title as follows:

[0000.1] The present invention relates generally to a bodywork part of a vehicle and in particular to a bodywork part having a thin-film solar cell.

Please add the following new heading before paragraph [0001]:

BACKGROUND

Please add the following new heading before paragraph [0003]:

SUMMARY OF THE INVENTION

Please replace paragraph [0004] with the following amended paragraph:

[0004] ~~This object is achieved by means of~~ The present invention provides a bodywork part that includes a carrier made of metal; at least one thin-film solar cell disposed on the carrier; a transparent cover layer covering the at least one thin-film solar cell and the carrier, wherein the carrier forms an electrode of the thin-film solar cell having the features of claim 1 and also by means of a method for producing a bodywork part having the features of claim 12.

Please delete paragraph [0005].

Please add the new paragraph before paragraph [0006] as follows:

[0005.1] The present invention also provides a method for producing a bodywork part of a vehicle that includes the steps of providing a metallic carrier; applying at least one thin-film solar cell on the carrier; applying a transparent cover layer so as to cover the at least one thin-film solar cell and the carrier; and using the metallic carrier as an electrode of the thin-film solar cell.

Please add the following new heading before paragraph [0020]:

BRIEF DESCRIPTION OF THE DRAWING

Please replace paragraph [0018] with the following amended paragraph:

Please add the following new heading before paragraph [0022]:  
DETAILED DESCRIPTION

On page 8, please amend the heading as follows:  
~~PATENT CLAIMS:~~ WHAT IS CLAIMED IS:
